

Marie Biancuzzo's **Lactation Exam** Review **2016**

"I took Marie's review course prior to testing and earned the highest score of all first-time test takers that year, 96%! I know this course helped me to achieve such a high score, and am very grateful for it."

—Karen Lavergne, RN IBCLC, Lafayette LA

Guarantee (Lactation Exam Review Only)

Your success is guaranteed! If you are a licensed professional or a recertifying IBCLC and you successfully complete Marie Biancuzzo's Lactation Exam Review with a score of at least 60% on the mock exam administered in class but fail the IBLCE exam in the same year you take the course, we will refund your course registration fee.

If you are entitled to a course refund, submit verifiable proof of failure to Breastfeeding Outlook along with your state license number or certification number and we will refund the course registration fee you paid. Please visit www.breastfeedingoutlook.com for a full description of the money-back guarantee.

Breastfeeding Mothers Policy

Quiet babies in arms (non-mobile and younger than 5 months) are welcome. However, crying babies or noisy, active babies make it very difficult for the mother and other participants to concentrate on course material. We encourage you to bring a caregiver to look after your baby's needs outside of the learning room during the course. If you bring your baby, please choose a seat that allows you to leave the room as needed. It is likely you will need to step out of the room to attend to your baby's needs throughout the day.

Tell us how you did!

We want to know how well we prepared you for the IBLCE exam. Use our confidential form to report your score and you will be entered into the contest to win a \$100 Amazon gift card. Watch your e-mails after scores are released for the contest announcement and instructions.
